

# INTERNATIONAL STUDENT ADMISSION

International students are an essential and valuable part of the NMSU community. International students enjoy all the rights, privileges, and protections of domestic students. They are subject to all the same responsibilities and regulations as their fellow domestic students. However, some special policies apply only to international students. The Office of International Student and Scholar Services (ISSS) ensures requirements are met and explains university standards for admission. Some students not seeking degrees, such as international exchange students, may work directly with the Office of Education Abroad.

## Federal Regulations

An international student is any individual attending NMSU while present in the United States on a non-immigrant student visa (F-1, F-2, J-1, J-2, H-4, NATO visas, and possibly others such as students in temporary protected status).

Lawful permanent residents (green card holders) should present documentation of their status to University Student Records and go through the same admission process as U.S. citizens.

The United States Department of Homeland Security has established rules for students in non-immigrant status, such as those with F-1 or J-1 visa types. Some of these rules include the following:

1. For immigration purposes, each student must maintain full-time student status
  - a. Full-time status for fall and spring semesters is defined as 12 or more credits for undergraduates (only three online credits can apply to the full-time requirement).
  - b. Full-time status for summer is defined according to NMSU requirements. Exceptions possible for final semester. Consult ISSS officials for more details.
2. International students may not work off campus without authorization. On-campus employment may be authorized under certain conditions.
3. All international students must maintain an up-to-date record in the ISSS Office. This record must indicate the student's current living address, phone number, and email address.
4. Before admission, a prospective international student must demonstrate the following:
5. Academic ability to succeed in the chosen course of study.
6. Adequate financial support to complete the chosen course of study.
7. English language proficiency as defined by the university.

## University Procedures for International Students

### Regular Undergraduate Admission (Degree Seeking)

International students are subject to the same admissions standards as all other NMSU students, but some additional requirements apply.

This section addresses those additional requirements. Visit <https://issn.nmsu.edu/> for more information.

Applications for admission that include the transfer of credits earned at a non-U.S. university must include a professional Foreign Credential Evaluation (FCE) report from a member institution of the National Association of Credential Evaluation Services (NACES) (<http://www.naces.org/members.html>) for every transcript from a foreign secondary school and/or university attended. The ISSS department highly recommends that applicants consider using SpanTran for their FCE. NMSU has worked with SpanTran to provide applicants with clear understand of which evaluation is needed. SpanTran provides an applicant portal to track and access evaluations. SpanTran is a long standing member of NACES. For more information please visit <https://spantran.com/web/>

### English Language Proficiency Requirements

For full undergraduate admission to the university, NMSU requires a score of 520 (paper-based) or 68 (internet-based) or better on the Test of English as a Foreign Language (TOEFL) or a score of 6.0 on the International English Language Testing System (IELTS), or a score of 95 on the Duolingo English test for all international students both non-degree and degree seeking.

A waiver of the TOEFL/IELTS requirement may be considered for:

1. Students who are native speakers of English.
2. Students from the following countries will be exempt from providing a TOEFL score for admission purposes. However, NMSU retains the right to require the applicant/student to take the English Language Placement Test if deemed necessary:
  - a. Anguilla, Antigua, Australia, Bahamas, Barbados, Barbuda, Belize, Bermuda, Botswana, Caicos Islands, Cameroon (Anglophone), Canada (except Quebec), Cayman Islands, Christmas Islands, Cook Island, Dominica, England, Eritrea, Fiji, Gambia, Ghana, Grand Cayman Islands, Grenada, Grenada and the Grenadines, Guernsey, Guyana, Ireland, Israel, Jamaica, Jersey, Kenya, Kiribati Islands, Lesotho, Liberia, Malawi, Malta, Mauritius, Micronesia (Federated States of), Montserrat, Namibia, Nauru, New Zealand, Nigeria, Norfolk Island, Papua New Guinea, Philippines, Scotland, Sierra Leone, Singapore, Solomon Islands, South Africa, St. Christopher, St. Helena, St. Kitts and Nevis, St. Lucia, St. Vincent & Grenadines, Swaziland, Tanzania, Trinidad & Tobago, Tristan da Cunha Island, Turks & Caicos Islands, Uganda, Virgin Islands, Wales, Zambia, Zimbabwe
3. Students completing high school in the United States who (a) have attended the high school for at least two full years and (b) have scored in at least the 75th percentile in English on the ACT.
4. Students transferring from a two-year college, community college, or university in the United States who have earned a minimum of 30 acceptable semester credits (45 acceptable quarter credits) with a GPA of 2.0 or better (acceptable credit means classes that require a high proficiency in both written and oral English).
5. Students scoring a 70%–(3) or better in English with the International Baccalaureate.

The university reserves the right to require any prospective international student to meet the TOEFL or IELTS requirement.

### English Language Placement Test

*Placement in writing classes for international students is determined by the results of the English Language Placement Test (ELPT).*

Based on the results of the ELPT, the student is either assigned to **ENGL 1105M** (a bridge course designed to ensure success in **ENGL 1110M**) or is allowed to enroll directly in ENGL 1110M (for multilingual students). Please note that these classes are only available on NMSU's Las Cruces Campus. International students excused from ENGL 1105M will be required to take ENGL 1110M. The student may then be required to complete one or more regular English classes as required for a particular degree. Completing basic English courses at other U.S. institutions does not automatically satisfy the ENGL 1110M requirement. Equivalencies for ENGL 1105M and equivalencies for ENGL 1110M or ENGL 1110G are determined by the University Student Records Office, who may refer exceptional cases to the English Department in the College of Arts and Sciences.

In cases of dramatic discrepancies between TOEFL/ IELTS scores and the ELPT, the ELPT results shall determine placement.

### Proof of Financial Support

The university reserves the right to require advance deposit of funds for any period deemed reasonable before granting admission. Each prospective international student must submit a current financial support document with their application. This document must show that:

1. The person providing the financial support has the necessary funds.
2. The funds can be transferred from the student's home country to the United States.
3. Proof of adequate financial support should be sent directly to ISSS.

### Admission Restrictions

International student admission may be prohibited if, Sufficient classroom-based courses are not available to maintain visa status (e.g. courses are online).

All application material, transcripts, national examination scores, transcripts from colleges or universities (with an English translation), and test scores (including the TOEFL or IELTS) should be sent directly to the NMSU Undergraduate Admissions at [admissions@nmsu.edu](mailto:admissions@nmsu.edu). Please note that transcripts, test scores, and foreign credential evaluations sent directly from an applicant/student to NMSU will be considered unofficial.
