Counseling: Counseling services are not available on the campus. The advising department has a referral list of community resources for those students who need such resources.

Degree Audit: Students have access to the Degree Audit System (STAR) available through their student online account at https://my.nmsu.edu. To self check progress toward a degree, students must select the college, the degree, and the year they meet the requirements. See an Advisor for assistance, if necessary.

ID Cards: All students must have an NMSU-A ID card. Cards are available in the Office of Admissions & Records located in the Student Services Building. The card is required to check books out of the library, allows students into school events, and gives a discount to students for some activities. The card contains the Banner Student ID Number. Students should have the number readily available for all activities and services on campus.

Learning Technology Center: The Learning Technology Center helps students adjust to online learning. At the beginning of each semester and before the second 8 week classes start, the LTC offers student workshops on Canvas access, navigation, and how to effectively interact with the variety of tools used in Canvas.

The library has over 40 PCs and laptops available and also checks out laptops to students which can be taken anywhere in the library building. In addition, the library has available in print format approximately 35,000 books, 90 journal and magazine subscriptions, and over 3,500 videos. The library also provides study space and group study rooms. Research assistance is available on a “drop-in” basis, as well as through tours and class sessions. For hours and additional information please see the library web site at http://nmsua.edu/library.

Placement Assessment: A placement assessment in math, writing, and reading is required prior to registration for all new degree-seeking students or those students who plan to take any math or English course(s) unless the student has passed the required prerequisite course with a C- or better. Those students who have taken the ACT/SAT may be able to use their scores instead of the placement assessment. See an Advisor to determine if ACT/SAT scores are applicable. Placement assessment results will determine what level of math, English, and/or reading course(s) the student will be required to take. Any student testing into a developmental reading course must take the appropriate level course. If the math or English scores are more than one year old, the individual is required to retake the placement assessment for appropriate placement. A copy of placement assessment results will be available.
in the Advising Office for advising and registration. Assessments are offered at various hours and days. Check with the Advising Office for the current schedule. Placement assessments are FREE; however, a fee of $15 is charged to send the scores to another college or university.

Student Holds - Academic Advisor's Hold: All students who are new to the NMSU-A campus and all students classified as freshmen (including transfer students) must see an Advisor to have their New or Freshman Student Hold lifted. This is to assure that beginning students have selected appropriate classes that meet their placement assessment results, have met prerequisites, and are aware of the services available to them. This hold is for two semesters and will come off at the end of the second semester. Holds are lifted in the Office of Advising & Career Services. Students may contact an Advisor by phone (439-3600), by email at advisingnmsua@nmsu.edu (advisingnmsua@nmsu.edu), or in person in the Advising Office in Student Services.

Student Holds - Satisfactory Progress Hold: Academic degree-seeking students who place into developmental courses in Math, English, and Reading must complete the required developmental coursework with a grade of C- or better before the completion of 24 credits. This program is contingent upon funding by the state legislature. For further information write the Certifying Officer for New Mexico:
