All online courses have been reviewed externally and have met the Higher Education Quality Matters™ Standards for course design. This process utilizes the nationally accepted 42 Specific Review Standards of the Quality Matters™ Rubric. NMSU-A online courses are engaging, high

quality, and prepare students for continuation of their education or for entering the workforce.

Course options are available in all online programs so there is never a need to attend face-to-face classes on campus. Any synchronous sessions will always be virtual and identified at the beginning of that particular course.

NMSU-A supports online students with services including tutoring, advising, financial aid, and admissions.

Once you complete your Associate of Arts Degree, your Criminal Justice Degree, or your Prebusiness Degree, you can move to New Mexico State University Online and finish a bachelor's degree with a smooth transition.

Additionally, courses are offered face-to-face in Alamogordo, Cloudcroft, Tularosa, Mescalero, HAFB, and some area high schools. Classes and workshops for community organizations are received by interactive video.

Some upper-division classes are received by NMSU-A through two-way interactive video technology.
