Student Holds - Academic Advisor's Hold: All students who are new to the NMSU-A campus and all students classified as freshmen (including transfer students) must see an Advisor to have their Advising Hold removed. This is to assure that beginning students have selected appropriate classes that meet their placement assessment results, have met prerequisites, and are aware of the services available to them. Holds are lifted in the Office of Advising. Students may contact an Advisor by phone (439-3600), by email at advisingnmsua@nmsu.edu, or in person in the Advising Office in Student Services.

Student Holds - Satisfactory Progress Hold: Academic degree-seeking students who place into developmental courses in Math, English, and Reading must complete the required developmental coursework with a grade of C- or better before the completion of 24 credits. If a student does not meet that requirement, the student will have a hold put on his or her record and must meet with an academic advisor before registration can take place.

Western Interstate Commission For Higher Education (WICHE): NMSU collaborates with the Western Interstate Commission for Higher Education (WICHE) in recommending graduates of the university for programs in dentistry, graduate library studies, occupational therapy, optometry, osteopathy, podiatry, public health, and veterinary medicine in universities of other western states. The State of New Mexico subsidizes the education of New Mexico residents when approved for training in these fields in other states. This subsidy is a loan-for-service program which permits New Mexico residents to attend state-supported institutions at in-state tuition rates and private institutions at approximately one-third the standard tuition cost if they practice in New Mexico for an equal number of years after graduation. This program is

contingent upon funding by the state legislature. For further information write the Certifying Officer for New Mexico:
