

TRANSFER STUDENTS

NMSU evaluates eligible courses for NMSU transfer equivalency from postsecondary institutions that are regionally accredited or are candidates for regional accreditation. Credits from non-accredited institutions may be evaluated after the student has shown acceptable performance at NMSU for two semesters of full time enrollment. NMSU Colleges may have additional requirements for course transfer; please contact the College for more information.

Transfer students are subject to the same graduation requirements as all NMSU-A degree seeking students. A minimum of 15 of the 60 credits for the Associate's degree must be completed at NMSU or one of its community colleges. Individual academic programs may have additional requirements.
