COURSE LISTINGS

Courses are titled in the following style:

ASTR 110G Introduction to Astronomy (4 cr. (3+3P))

- Course number (110) indicates the course is a freshman course.
- Suffix (G) indicates a New Mexico Common Core course.
- Suffix (V) indicates a Viewing a Wider World course.
- Suffix (H) indicates a Honors courses outside of the Honors prefix.
- Suffix (L) indicates a Laboratory course.
- Suffix (M) indicates a Multicultural course.
- Credits - The unit of university credit is the semester hour, which is the equivalent of one hour’s recitation or a minimum of two hours of practice per week for one semester. The (3+3P) means that the class meets for 150 minutes per week for lecture and also requires 150 minutes per week of “laboratory” (practice, field work, or recitation).

Course Number Designation

- 100-199 – Freshman courses
- 200-299 – Sophomore courses
- 300-399 – Junior courses
- 400-499 – Senior courses
- 450-499 – Senior or graduate courses
- 500-599 – First-year graduate courses
- 600-699 – Advanced graduate courses
- 700 – Ph.D. dissertation

In order to register for 300-level courses, a student must have met the basic academic skills requirements.

The letter N will be added as a suffix to the course number when the course credits are not applicable to the baccalaureate and specified associate degrees.
