HISTORY OF NMSU CARLSBAD

New Mexico State University Carlsbad "NMSU Carlsbad" was established in 1950 as the State’s first community college and was named the Carlsbad Instructional Center. Ten years later, the Center was renamed as a branch campus of New Mexico State University. In 1980, the campus was relocated to a new building, which was expanded with an additional wing of classrooms in 1987 and was expanded again by the addition of a computer facility wing for occupation in 1996. The newest building, the Allied Health Center was added in 2011.

Throughout its history, the campus has been responsive to the changing academic needs of the region and the immediate Carlsbad Community. It has offered courses which apply directly to the University’s Las Cruces campus for graduation at the baccalaureate level. Some upper division and graduate courses are delivered by the University’s Las Cruces faculty on site at the Carlsbad campus.
