<i>Electives, to bring the total credits to 60</i> <sup>5,6</sup>	
<b>28</b>	
<b>Total Credits</b>	<b>60-61</b>

<sup>1</sup> Students with Area I transfer credits may sometimes complete this requirement with 9 credits.

<sup>2</sup> Must complete with a C- or better.

<sup>3</sup> May not apply to all NMSU B.A. degree programs.

<sup>4</sup> In order to complete the General Education Requirements, students must take an elective course for 3-4 credits. This course can be any course in any area, excluding Area I: Communications and any crosslisted courses that exceeds the minimum requirement. The elective course must have the "G" distinction. See the General Education (<https://catalogs.nmsu.edu/dona-ana/general-education-and-transfer-options/transfer-new-mexico-institutions/>) section of the catalog for a full list of courses.

<sup>5</sup> Credits may vary based on prerequisites, dual credit, or AP credit. The amount indicated in the requirements list is the amount needed to bring the total to 60 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis. *Electives should be selected in consultation with an academic advisor, the NMSU Catalog and the bachelor's degree requirements to ensure course transfer. Second language courses are recommended if they are required by the intended bachelor's degree.*

<sup>6</sup> Nine or more credits, all under one prefix, may be substituted for a single general education (G) course with the same prefix. For example, ARTS 1610 Drawing I, ARTS 1240 Design I, ARTS 1250 Design II (totaling 9 credits) could be used in place of the general education course, ARTH 1115G in the NMSU system.
