

# RESIDENTIAL HVAC - CERTIFICATE OF COMPLETION

## (29 credits)

### A Suggested Plan of Study

The contents of this roadmap may vary depending on initial student placement in mathematics and English. This is only a suggested plan of study for students, and is not intended as a contract. Individual student academic plans may vary. Please contact your academic advisor to create a plan that works for you. Course availability may vary from fall to spring semester and may be subject to modification or change.

NOTE: Students must achieve a cumulative grade-point average of 2.0, a final grade of C- or better in ENGL 1110G Composition I, and a C- or better in all required courses.

Students must complete all University certificate requirements to total at least 29 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.

Semester 1		Credits
ENGL 1110G or OETS 103	Composition I <sup>1</sup> or Technical Career Skills	4
HVAC 100	EPA Clean Air Act: Section 608	1
