**NOTICE**: On March 6, 2018, the NMSU Board of Regents approved the proposal to close the DACC Library Science program. Students who currently have a declared major in Library Science (working toward either a certificate or an AAS degree) will be offered a reasonable opportunity (approximately 24 months) to complete their program of study. No new students will be admitted into the Library Science program.

(12 credits)
This certificate is designed for those who desire an in-depth knowledge of specialized topics in library science.
