

# COMPUTED TOMOGRAPHY - CERTIFICATE OF COMPLETION

## Doña Ana Community College 2025-2026 Catalog (17-21 credits)

NOTE: Computed Tomography majors must obtain a C- or better in all required courses to graduate and achieve a cumulative grade-point average of at least 3.0.

Students must complete all University certificate requirements to total at least 17-21 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.

| Prefix                              | Title  | Credits      |
|-------------------------------------|--|--------------|
| <b>Related Requirements</b>         |  |              |
| BIOL 2210                           | Human Anatomy and Physiology I for the Health Sciences   | 4            |
| or BIOL 1130G                       | Introductory Anatomy & Physiology (non-majors)   |              |
| RADT 100                            | Introduction to Radiologic Technology and Patient Care   | 3            |
| <b>Technical Requirements</b>       |  |              |
| RADT 208                            | Practicum I (Computed Tomography) <sup>1</sup>   | 2-3          |
| or RADT 203                         | Clinical Practicum III   |              |
| RADT 209                            | Practicum II (Computed Tomography) <sup>1</sup>  | 2-3          |
| or RADT 204                         | Special Modalities Practicum IV  |              |
| RADT 210                            | Practicum III (Computed Tomography) (not required if students took RADT 203 and RADT 204) <sup>2</sup> | 2            |
| <i>Select one of the following:</i> |  | 4-6          |
| RADT 190 & RADT 207                 | CT Equipment and Methodology and Cross Sectional Anatomy for Medical Imaging                           |              |
| RADT 191                            | Computed Tomography (CT) Imaging and Equipment <sup>1</sup>  |              |
| <b>Total Credits</b>                |  | <b>17-21</b> |

<sup>1</sup> Students enrolled in RADT 191 Computed Tomography (CT) Imaging and Equipment must have passed RADT 103 Introduction to Radiographic Imaging, RADT 154 Radiographic Anatomy and Physiology, & RADT 105 Radiographic Physics and Equipment with a B or better, as well as passed comprehensive final exams with 74% or higher.  
For students taking the associate degree simultaneously. This pathway for the certificate will include RADT 203 (instead of RADT 208) and RADT 204 (instead of RADT 209)

<sup>2</sup> RADT 210 is not required if student took RADT 203 and RADT 204 pathway
