

SCIENCE (COMPUTER SCIENCE) - ASSOCIATE OF SCIENCE

Doña Ana Community College 2024-2025 Catalog

Associate of Science (Computer Science) Degree

The Associate of Science degree allows students to complete many of the general education requirements for a bachelor's degree while still at the community college. Students should take electives that apply toward the requirements of their chosen bachelor's degree. The science electives may be taken at DACC or NMSU. *Students who wish to transfer to NMSU and major in Biology, Chemistry, Computer Science, or Mathematics, should consider selecting the appropriate Concentration and follow the related Roadmap, in consultation with their advisor.*

Doña Ana Community College 2024-2025 Catalog

Associate of Science (Computer Science) Degree

(60 Credits)

Students must complete all University degree requirements, which include: General Education requirements and elective credits to total at least 60 credits with a minimum cumulative grade-point average of at least 2.0. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework. A minimum of 15 of the total degree credits for the Associate's degree must be completed at DACC, or any other NMSU campus. The New Mexico General Education Requirements can be found in the section titled, "Transfer Among New Mexico Institutions of Higher Education".
