The Customized Training and Workforce Development program offers a variety of training programs and topics to increase productivity and peak team performance. We can also tailor courses to meet the specific needs of your organization. Course topics and content, duration, and scheduling can be customized to fit employee work schedules and employer needs. We can teach at your place of business or ours. We also offer the convenience of online training, adding more flexibility for your employees.

Customized training services have been utilized by numerous local banks, manufacturers, small businesses, public schools, government contractors, federal, state, and local governmental agencies. Training areas have included computer skills, management/supervision, forklift certification, industrial safety awareness, customer service, FranklinCovey® seminars, SHRM HR courses and certification prep, and many others.

All courses and programs are open to the public. Visit us at dacc.nmsu.edu/ctp (http://dacc.nmsu.edu/ctp) for more information or dacc.augusoft.net (https://dacc.augusoft.net) to register for any of our courses.

Continuing Education Units

Continuing Education Units (CEUs) and Continuing Professional Educations Units (CPUs) may be awarded for organized, noncredit, continuing education experiences. CEUs and CPUs may not be used to fulfill degree requirements.
