KINESIOLOGY (APPLIED EXERCISE SCIENCE) -BACHELOR OF SCIENCE IN KINESIOLOGY (ONLINE)

Kinesiology is a great option for students interested in a career within allied health. Career choices include, but are not limited to, medical school, physical and occupational therapy, athletic training, corporate health and wellness, chiropractic medicine, dentistry, optometry, pharmacy, and much more.

The NMSU Global Campus Bachelor of Science in Kinesiology degree has a concentration of Applied Exercise Science. For the required credit hours see the program descriptions below. Students are required to complete 120 total semester hours for the Kinesiology degree. Additionally, students pursuing a Kinesiology degree will be responsible to ensure that they complete 48 upper division credits (3000 (300) and 4000 (400) level courses). ENGL 1110G, Area II General Education courses, Kinesiology courses, and Electives must be completed with a grade of C- or better.

Students must complete all University degree requirements, which include: General Education, Viewing a Wider World, and program specific courses to total a minimum of 120 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.

Information about Kinesiology and potential career opportunities may be obtained at the Department of Kinesiology, Activity Center 204, phone 575-646-2215.

Prefix	Title	Credits	
General Education			
Area I: Communications	3	10	
English Composition - L	evel 1		
ENGL 1110G	Composition I		
English Composition - Level 2 ¹			
Choose one from the following: 3			
ENGL 2210G	Professional and Technical Communication Honors		
ENGL 2215G	Advanced Technical and Professional Communication		
ENGL 2221G	Writing in the Humanities and Social Science		
Oral Communication ¹			
COMM 1115G	Introduction to Communication		
Area II: Mathematics		3-4	
Choose one of the following:			
MATH 1220G	College Algebra		
MATH 1250G	Trigonometry & Pre-Calculus		
MATH 1430G	Applications of Calculus I		
MATH 1511G	Calculus and Analytic Geometry I		
Area III/IV: Laboratory Sciences and Social/Behavioral Sciences 11			
Area III: Laboratory Science Courses (8 credits total)			
BIOL 1120G	Human Biology		
BIOL 1120L	Human Biology Laboratory		
GEOL 1110G	Physical Geology		
Area IV: Social/Behavioral Sciences Course (3 credits)
