Elective courses may include other 5000-level courses from other departments. Some PHLS 5000-level courses are crossed listed with PHLS 4000 level courses (e.g PHLS 4640 Rural Health Issues and PHLS 5640 Rural Health Issues). Students who have previously taken one of these 4000 level courses at NMSU, may not take the corresponding 5000 level PHLS course for degree completion credit.

Selected elective courses may also be available during summer sessions.

All MPH students must comply with the Student Code of Conduct for the Department of Public Health Sciences. This can be found online at the Department's web page (<http://publichealth.nmsu.edu> (<https://publichealth.nmsu.edu>))

Non-Thesis students must complete an Integrative Learning Experience (ILE) that allows them to demonstrate a synthesis of foundational and concentration competencies. This also serves as the final exam for Graduate School Requirements.

- Students must receive a grade of B or higher in this coursework to be counted for graduate credit. If a B- or lower grade is earned, it will not count toward the graduate degree.

Accepted MAP Courses

The following courses are accepted for use in the PHS MAP program; other courses may be considered after consultation with the Graduate Coordinator. An exception will need to be made to the degree audit in order for the additional course(s) to be included on both the Undergraduate and Graduate degrees. Other Cultural Foundation courses (PHLS 5600-5699) may be substituted when offered.

New Mexico State University's master's accelerated program allows **academically qualified undergraduate students** to begin working on a master's degree **during their junior and senior years** while completing a bachelor's degree. Typically, a bachelor's degree requires four years to complete, and a master's degree requires an additional two years.

The master's accelerated programs allow students to complete a graduate program in an accelerated manner. You can also check NMSU's catalog for additional information about our programs.

Please talk to the PHS Graduate Coordinator about your MAP plan and develop a course plan in consultation with that person.

MAP Requirements

- The Graduate School allows qualified junior or senior students to substitute its graduate courses for required or elective courses in an undergraduate degree program and then subsequently count those same courses as fulfilling graduate requirements in a related graduate program.
- Undergraduate students may apply for acceptance to the accelerated master's program after completing 60 semester hours of undergraduate coursework, of which a minimum of 25 semester credit hours must be completed at NMSU.
- The grade point average must be at a minimum of 3.00.
