Elective courses may include other 5000-level courses from other departments. Some PHLS 5000-level courses are crossed listed with PHLS 4000 level courses (e.g PHLS 4640 Rural Health Issues and PHLS 5640 Rural Health Issues). Students who have previously taken one of these 4000 level courses at NMSU, may not take the corresponding 5000 level PHLS course for degree completion credit.

Selected elective courses may also be available during summer sessions.

All MPH students must comply with the Student Code of Conduct for the Department of Public Health Sciences. This can be found online at the Department's web page (<http://publichealth.nmsu.edu> (<https://publichealth.nmsu.edu>))

Non-Thesis students must complete an Integrative Learning Experience (ILE) that allows them to demonstrate a synthesis of foundational and concentration competencies. This also serves as the final exam for Graduate School Requirements.
