NMSU Global Campus Career Exploration and Job Search

Are you ready to find the career of your dreams? NMSU Global Campus is here to guide you with exceptional career advising that incorporates career planning, job shadowing and internship opportunities. NMSU Global Campus career guidance will prepare you to be ready to meet the demands of highly skilled job positions and career fields now in the 21st century!

You will launch your career plans through Handshake – our online NMSU Career Management system that offers a comprehensive array of career programs and services: <https://nmsu.joinhandshake.com/login> (<https://nmsu.joinhandshake.com/login/>)

We understand as an online student, developing job experience and finding employment while attending college can be tricky. The following programs will develop your career goals and experience and may offer face to face or online/remote positions in your area:

- **On-Campus Employment:** Information is available for part-time employment through work-study, regular student employment, and graduate level programs. Available opportunities are advertised

on Handshake at <https://nmsu.joinhandshake.com/login> (<https://nmsu.joinhandshake.com/login/>)

- **Off-Campus Employment:** Part and full-time jobs in Las Cruces, requiring general or very specific qualifications, are listed on Handshake and candidates may contact the employers for referrals.
- **Cooperative Education, Internship Programs and Experiential Education:** Information is available in Handshake on Cooperative Education and Internship opportunities offered by government, nonprofit organizations and business/industry. If you are interested in experiential education please register with the Cooperative Education & Internship Program Coordinator any time after your first semester on campus.
- **Career Fairs:** Watch for future Information on NMSU Global Campus Online Career Fairs. Students can meet employers online and discuss job opportunities several times a year or by attending a Career Fair on the Las Cruces campus. <https://oel.nmsu.edu/career-events/career-fairs-future-dates.html>
- **Career Exploration and Advising:** Schedule a meeting with a career advisor online to explore career and major options as well as develop job search materials such as resumes and cover letters. For information about career advising: <https://oel.nmsu.edu/> **Academic Online Advising - Center for Academic Advising and Student Support**

We understand our NMSU Global Campus students may need to meet with an academic advisor on their own time schedule in the online environment. The Center for Academic Advising and Student Support (CAASS) is the central location for academic and career advising online and on campus.

CAASS advisors teach undergraduate students how to define and achieve their academic, personal, and career goals for college. Not only do academic advisors help students plan for registration each semester, the primary focus of guidance and advising is supporting students as they navigate the university by explaining degree requirements, clarifying policies and procedures, and informing students of resources that will support their success. All undergraduate degree-seeking students will be assigned a CAASS academic advisor.

Contact: <https://global.nmsu.edu/current-students/advising/>, or visit NMSU Educational Services, Suite 200, or call 575-646-2941. Current NMSU Global Campus students can use Navigate (<https://nmsu.navigate.eab.com>) to schedule academic advising appointments with their advisor.

Cooperative Education and Internship Program for NMSU Global Campus

NMSU has a national reputation for its Cooperative Education (Co-op) and Internship Program. Today's competitive employment market highly encourages you as a NMSU Global Campus student to participate in an experiential learning experience connected with your major as you complete your college degree. By participating in the Co-op / Internship Program, you will integrate academic theory and practical application in an actual job and potential career. Co-op / Internship assignments provide an array of work experiences with employers in business, industry, government and nonprofit organizations.

We understand as an NMSU Global Campus online student, developing job experience and finding employment while attending college can be a challenge. A COOP or Internship offers valuable career training experience. Check with The Office of Experiential Learning for possible face to face or online/remote positions in your area.

Continuing full-time students are eligible for all Co-op / Internship work assignments and must be completed prior to graduation. For each semester (spring, summer, & fall) that a student completes an approved Co-op / Internship, a notation is placed on his/her official academic transcript.

To earn the permanent official notation on the academic transcript, required documentation must be completed and turned in on time to the Cooperative Education & Internship Program Coordinator before and after each Co-op / Internship assignment.

You may register full-time for one or more Co-op / Internship positions throughout the U.S.; and each Co-op / Internship position will last the duration of an academic semester. While on a full-time Co-op / Internship, you will have full-time academic status with NMSU, which protects enrollment status, financial aid status, scholarship status, and other student eligibilities.

You may also register part-time for a Co-op / Internship position, also known as a parallel Co-op / Internship. Employers are generally located within commuting distance of the university. While on a part-time Co-op / Internship, students work approximately 20 hours per week concurrently with full-time academic enrollment.

If you are interested in cooperative education or an internship, register with the Cooperative Education and Internship Program, and complete all registration requirements. Required activities include accessing the student's NMSU Handshake Account and completing an online orientation session. NMSU Global Campus students are responsible for submitting required enrollment forms, a mid-semester follow-up, and a program evaluation by both you and the employer. International students participating in a Co-op / Internship must follow the application and approval process for Curricular Practical Training (CPT) through the International Student and Scholar Services office along with the Cooperative Education and Internship Program process.

For additional information regarding the Cooperative Education and Internship Program contact or visit us online at: <https://oel.nmsu.edu/internships/internships.html>

New Mexico State University Library

The New Mexico State University Library offers access to research and general collections in two library facilities located in the heart of the campus. Zuhl and Branson libraries house over millions of items and provide electronic access to scholarly journals, databases, and digital collections for general academic and discipline-specific research. The Archives and Special Collections Department at Branson Library holds unique research archives and rare books related to the history and cultural heritage of New Mexico, the U.S./Mexico border region and the Southwest, as well as the original records of the university. A professional team of faculty and staff dedicated to student success provides reference assistance and research support. A variety of quiet work areas, collaborative group spaces, and private study rooms offer a safe environment conducive to study and research. More information may be found at <http://lib.nmsu.edu>.

Office of Experiential Learning

The Office of Experiential Learning (OEL) provides comprehensive and quality hands-on learning opportunities that assists students with their experiential educational and career goals. OEL encompasses a variety of programs including Corporate Relations and Career Events, Cooperative Education and Internship Program, Education Abroad and National Student Exchange, Community Engagement and Outreach, and the Passport Acceptance Facility. Corporate Relations and Career Events and the Cooperative Education and Internship Program seek to foster self-direction and personal responsibility as well as assisting students with their career and employment goals by increasing knowledge through real life experiences in order to obtain gainful employment upon graduation.

Community Engagement and Outreach focuses on assisting students with opportunities to apply what they have learned in the classroom into real life settings, which lends to develop soft skills in areas such as demonstrated complexity of understanding, problem analysis, problem-solving, and critical thinking, which leads to greater academic learning, leadership skills, and personal efficacy. When used as a way to give back through service learning and volunteering, community engagement and outreach aims at improving social responsibility and citizenship skills with hopes of Aggies continuing to have greater involvement in community engagement after graduation.

Education Abroad and National Student Exchange provides Aggies an exciting opportunity to continue their education inside and outside of the continental U.S. Studying abroad is great way to learn in an immersive environment as is studying in other areas in the U.S. through National Student Exchange. It is so much more than what students learn in a classroom. Education abroad gives students the opportunity to take classes in a new context as well as provides the opportunity for students to learn and understand different cultures and nationalities. Students who take advantage of education abroad experience academic and personal growth. The Office of Experiential Learning also provides students with an on campus Passport Acceptance Facility Office which provides ease of access to obtain a U. S. Passport to experience the world abroad.

Our goal is to continue to research and introduce innovative initiatives that will offer increased opportunities for Aggies to attain well-rounded experience. For more information about services offered by the Office of Experiential Learning, please call (575) 646-1631.
