

# EDUCATION - ASSOCIATE IN EDUCATION

## 60 credits

The Education associate degree program at NMSU Grants is designed to prepare students for transfer into the Teacher Education Program (TEP), a baccalaureate program at New Mexico State University. Alternatively, students may opt to transfer to a similar program at another four-year institution. The NMSU Grants program includes the lower division courses required for entry into the TEP. Completion of this program does NOT guarantee admission into a Teacher Education Program at a four-year institution. The student will need a 2.75 GPA to be eligible to apply to the TEP. Early in their second year of study at NMSU Grants students should contact the four-year institution they have chosen to obtain application information.

NOTE: It is recommended that students check the requirements for their planned bachelor's degree. Requirements may differ for some bachelor's degrees. See education advisor for course selection information. NMSU Las Cruces College of Education (<https://catalogs.nmsu.edu/nmsu/health-education-social-transformation/>) requirements.

## Requirements and Limitations

- Students in the Education Program are required to complete and pass a security background check in order to take field-experience courses. Past criminal violations may prevent a student from completing the degree and from being hired by school systems or other childcare facilities upon graduation.
- Students must complete all Technical Requirement courses as well as the following courses with a C- or better:
 

Prefix	Title	Credits
ENGL 1110G	Composition I	4
ENGL 2221G	Writing in the Humanities and Social Science	3
MATH 1134	Fundamentals of Elementary Mathematics I	3
MATH 2134G	Fundamentals of Elementary Math II	3
MATH 1215	Intermediate Algebra	3
- Students must have a 2.0 GPA to graduate from this program. However, a 2.5 GPA is required for acceptance into the Teacher Education Program at NMSU. For this reason, it is highly recommended that NMSU Grants students complete the Education Program with a 2.5 cumulative GPA.
- Any education course more than seven years old taken at NMSU, NMSU community colleges, or other institutions will not be counted toward the student's baccalaureate program. It is highly recommended that students request a review of their cumulative coursework by the appropriate department at NMSU. The student must repeat any course not approved.

Students must complete all University degree requirements, which include: General Education requirements and elective credits to total at least 60 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework. New Mexico General Education (<https://catalogs.nmsu.edu/grants/general-education/>) courses.

Prefix	Title	Credits
<b>General Education</b>		
<i>Area I: Communications</i>		
<i>English Composition - Level 1</i>		
ENGL 1110G	Composition I	4
<i>English Composition - Level 2</i>		
ENGL 2221G	Writing in the Humanities and Social Science	3
<i>Oral Communication</i>		
COMM 1115G	Introduction to Communication	3
or COMM 1130G	Public Speaking	
<i>Area II: Mathematics</i>		
MATH 2134G	Fundamentals of Elementary Math II <sup>1</sup>	3
<i>Area III/IV: Laboratory Sciences and Social/Behavioral Sciences</i>		
CEPY 1120G	Human Growth and Behavior	3
Select two 4 credit courses, including lab, from two areas.		8
ASTR 1115G	Introduction to Astronomy Lecture & Laboratory	
or ASTR 1120G	The Planets Lecture & Laboratory	
BIOL 1120G & BIOL 1120L	Human Biology and Human Biology Laboratory	
BIOL 1190G	Contemporary Problems in Biology	
BIOL 2110G & BIOL 2110L	Principles of Biology: Cellular and Molecular Biology and Principles of Biology: Cellular and Molecular Biology Laboratory	
CHEM 1120G	Introduction to Chemistry Lecture and Laboratory (non majors)	
CHEM 1215G	General Chemistry I Lecture and Laboratory for STEM Majors	
ENVS 1110G	Environmental Science I	
GEOL 1110G	Physical Geology
