NURSING ASSISTANT - CERTIFICATE OF COMPLETION

Nursing assistants perform basic nursing functions and procedures involving patient care. They work under the supervision of a registered nurse, licensed practical nurse, or physician. Nursing assistants tend to matters relating to personal hygiene, safety, nutrition, exercise, and elimination where maintaining patient comfort is a priority. Nursing assistants may be called upon to lift, move, or observe patients, as well as measure temperatures, pulses, respirations, and blood pressures. They may assist with patient admissions and discharges as well. The scope of their responsibilities, however, varies considerably depending upon the type of organization in which they are employed.

NOTE: Admission to the Nursing Assistant program requires Placement scores. Speak with an adviser regarding English and Math requirements and refer to course descriptions (https://catalogs.nmsu.edu/grants/courses-descriptions/).

Prefix	Title Medical Terminology	Credits 3
Requirements		
AHS 120		
AHS 153	Introduction to Anatomy and Physiology I	4
NA 104	Nursing Assistant Fundamentals	3
NA 104 L	Nursing Assistant Fundamentals Lab	1
NA 105	Nursing Assistant Clinicals	4
OEEM 101	CPR for the Health Care Professional	1
Total Credits	16	

A Suggested Plan of Study: One Semester

	Total Credits	16
	Credits	16
OEEM 101	CPR for the Health Care Professional	1
AHS 153	Introduction to Anatomy and Physiology I	4
AHS 120	Medical Terminology	3
NA 105	Nursing Assistant Clinicals	4
NA 104 L	Nursing Assistant Fundamentals Lab	1
NA 104	Nursing Assistant Fundamentals	3
Fall		Credits
First Year		

A Suggested Plan of Study: Two Semesters

The C.N.A program may be completed with dual/concurrent enrollment by high school students completing it over multiple semesters. There is no mandatory sequence when completing the required courses, but a strong recommendation that the NA 105 Clinical and OEEM 101 C.P.R be completed in the students **LAST** semester.
