	or BIOL 2210 Human Anatomy and Physiology I for the Health Sciences	
Total Credits		30

A Suggested Plan of Study

This roadmap is only a suggested plan of study in order to complete a Certificate in two semesters. It is not intended as a contract. Course availability may vary from fall to spring semester and may be subject to modification or change. Students are advised to earn a C or better to avoid repeating courses. This Plan presumes a student is ready for ENGL 1110G, Composition I and MATH 1215, Intermediate Algebra. Placement is determined by an English and Math Placement Test, ACT scores, or completing the course prerequisites.

First Year

Fall		Credits
AHS 120	Medical Terminology	3
