Credit for Military Service
New Mexico State University will award academic credit to United States military personnel for courses and Military Occupational Specialties (MOS), based on the American Council of Education Guide (ACE) as well as through national standardized tests, such as CLEP, AP, PEP and DANTES. Credit for military training is in accordance with NMSU Faculty Senate Legislation Proposition 24-07/08, which was passed in May 2008. Military Training and Military Occupational Specialties (MOS) must have a recommendation evaluation by ACE (in the ACE Guide) for credit to be awarded. Courses accepted for transfer credit become part of the student’s official NMSU transcript and academic record. If a student wishes to appeal a decision regarding the acceptance of military training/education and/or MOS for academic credit, the student must submit a written statement of appeal to the Dean of the College to which the student has applied. The Dean will review the merits of the appeal and render a decision. The decision of the Dean is final.

Only Primary MOS (s) are eligible for academic credit in the initial review and evaluation. Credit for Duty and/or Secondary MOS may be eligible for academic credit if the student petitions the college’s Associate Dean. Primary MOS is the primary specialty of a soldier and reflects the broadest and most in-depth scope of military experience. Veterans,
active-duty personnel, National Guard and Reservists who are current
students or students applying for admission to New Mexico State
University may be granted academic credit on a case-by-case basis
upon evaluation of military transcripts - the Joint Service Transcript
(jst.doded.mil) and the Community College of the Air Force transcripts.
Course equivalencies and credit hours awarded for a particular NMSU
degree are determined by colleges and/or academic departments. Credit
hours may be awarded for specific courses toward degree requirement, or
as elective credit. The number of credit hours awarded will be determined
by the college and/or academic department.

NOTE: Students submitting military transcripts for credit evaluation must
keep in mind the Maximum Time Frame policy. See Financial Aid Section

**Tuition Assistance**

Tuition Assistance (TA) is a benefit paid to eligible active duty members
of the Air Force, Army, Coast Guard, Marines, and Navy. The Department
of Defense (DoD) has given each service the ability to pay up to $250
per semester credit hour of the actual cost of tuition (no fees) during the
fiscal year (Oct. 1 - Sept. 30). TA will pay for up to 13- semester hours of a
bachelor’s degree and up to 39- semester hours of a master’s degree. TA
must be requested and approved prior to the start date of the course.

**Veterans’ Attendance and Satisfactory Progress**

The U.S. Department of Veterans Affairs requires all veterans receiving
VA education benefits to make satisfactory progress and systematic
advancement toward an educational objective or be liable for over-
payments. Satisfactory progress and regular class attendance are
expected of such students.

If a veteran receiving benefits is suspended for academic reasons,
benefits are terminated and will be restored only after readmission to
NMSU.

If the university has liability claims filed against it as a result of a veteran
failing to meet compliance requirements of the U.S. Department of
Veterans Affairs, the university will not release any academic records
on the veteran until such time as the veteran has reimbursed the federal
government for funds drawn in violation of those requirements.

A student receiving VA education benefits who is pursuing a degree
program offered by New Mexico State University should adhere to the
curriculum of that program. Failure to do so will result in the student
being certified for less than full-time status or becoming liable for an
overpayment.

**Responsibility of Veteran Students**

Students must be pursuing a degree in a specific program to be eligible
for benefits. Admission procedures for veterans and other eligible
persons are the same as for all students. Academic advisors must submit
degree plans to Military and Veterans Programs prior to certification.
For continued certification, students must submit a Concise Student
Schedule to the MVP office every semester.

Veterans must notify the MVP office when any of the following occurs:
• Dropping or adding course(s)
• Withdrawing from course(s)
• Discontinuing regular class attendance
• Changing programs (academic majors)

VA education benefits are payable for regular attendance in courses that
are part of the veteran’s program (major) curriculum. VA educational
benefits are not payable for:
• Classes not attended regularly
• Repeating a course for which a passing grade was received
• Classes for which credit is received through successful completion of
  a proficiency test or grade by examination
• Classes taken on an audit basis
• Classes that are dropped or withdrawn from
• Classes taken that are not part of the veteran’s program (major)
curriculum
