NMSU GRANTS

Student Resources

At NMSU Grants, we understand that it is important for all of our students to have access to the information they need to be successful. We have put together the following collection of student resources so that are students can concentrate on their academics and not searching for resources. If you have any questions about the content of this student resources page or would like to see materials added, please contact the leadership at your campus. The students, faculty, and staff at NMSU Grants are all a part of a community that supports and helps our students get what they need from their education. The idea of going back to school can be overwhelming, but we are here to help our students reach their full potential.
