¹ Minor courses are selected with the approval of an FCS advisor from a minor related to the FCS field such as CAST, C EP, ECED, GERQ, PHLS, PSY, SOC, S WK and W S.

If a minor isn't declared, elective courses can be used.

² Elective credit may vary based on prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.
