HUMAN NUTRITION AND DIETETIC SCIENCE (PREDIETETICS/DIETETICS) - BACHELOR OF SCIENCE IN FAMILY AND CONSUMER SCIENCES

The Dietetics option prepares students to become registered dietitians (RD) and dietetic technicians, registered (DTR). This option encompasses nutritional science, clinical dietetics, community nutrition, food science and food service management.

All students enrolled in this option begin as Pre-Dietetics students.

All Pre-Dietetics students are required to apply for admission into the Dietetics option in the fall semester of their junior year as indicated on the Pre-Dietetics/Dietetics road map. Please refer to the HNDS Undergraduate Student Handbook for information on the admissions criteria, application instructions, and the application process. Pre-Dietetic students are termed Dietetic students upon formal notification of admission into the Dietetics program.

The Dietetics option is a Didactic Program in Dietetics (DPD) that is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). This option enables graduates to continue pursuing the credentials of a registered dietitian (RD). Becoming an RD is currently a three-step process:

- Successfully complete an ACEND-accredited DPD program (e.g. the NMSU Dietetics Option), earn a degree and a verification statement
 - The verification statement ensures eligibility to apply to the next step.
- Successfully complete an ACEND-accredited Dietetic Internship (DI) program, earn another verification statement.
 - a. This 2nd verification statement ensures eligibility to begin the next step.
- 3. Pass the Commission on Dietetic Registration (CDR) registration

To earn a Verification Statement from the NMSU DPD, students must:

- 1. Complete all classes outlined in the Dietetics option roadmap.
- Attain a C or higher (on campus or transfer) in classes with CHEM, BCHE, BIOL, SPMD, AHS/CHSS/NURS, FSTE and NUTR prefixes (C-does not count toward degree).

Students must complete all University degree requirements, which include: General Education requirements, Viewing a Wider World requirements, and elective credits to total at least 121 credits with 48 credits in courses numbered 300 or above. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.

Prefix	Title	Credits
General Education		
Area I: Communications		10

5 11 10 21	, , , , , ,	
English Composition		
English Composition		
	course from the following:	
ENGL 2130G	Advanced Composition	
ENGL 2210G	Professional and Technical Communication Honors	
ENGL 2210H	Professional and Technical Communication Honors	
ENGL 2215G	Advanced Technical and Professional Communication	
ENGL 2221G	Writing in the Humanities and Social Science	
Oral Communication	1	
Choose one from the fo	llowing:	
ACOM 1130G	Effective Leadership and Communication in Agriculture	
COMM 1115G	Introduction to Communication	
COMM 1130G	Public Speaking	
HNRS 2175G	Introduction to Communication Honors	
Area II: Mathematics		
MATH 1220G	College Algebra ²	3
or MATH 1430G	Applications of Calculus I	
Area III/IV: Laboratory S	Sciences and Social/Behavioral Sciences	11
PHLS 1110G	Personal Health & Wellness (Recommended) 1	3
CHEM 1215G	General Chemistry I Lecture and Laboratory for STEM Majors	4
Choose one sequence	from the following (4 credits):	
BIOL 2610G & BIOL 2610L	Principles of Biology: Biodiversity, Ecology, and Evolution	
	and Principles of Biology: Biodiversity, Ecology, and Evolution Laboratory	
BIOL 2110G & BIOL 2110L	Principles of Biology: Cellular and Molecular Biology	
	and Principles of Biology: Cellular and Molecular Biology Laboratory	
Area V: Humanitites		3
PHIL 1145G	Philosophy, Law, and Ethics (recommended)	
or PHIL 2110G		
Area VI: Creative and Fi	ne Arts ¹	3
General Education Elec	tive	
FSTE 2110G	Food Science I	4
Viewing A Wider World	l ³	6
Departmental/College	Requirements	
FSTE Upper Division C 4310	course - any 300 or 400 level FSTE, except FTSE	3
NUTR 2110	Human Nutrition (FSTE Upper Division Course - any 3000 or 4000 level FSTE, except FSTE 4310)	3
NUTR 2120	Seminar I - Becoming a Nutrition Professional	1
NUTR 3110	Nutrition Throughout the Lifecycle	3
NUTR 3710	Food Systems & Policy in Dietetics	3
NUTR 3750	Applied Nutrition Research	3
NUTR 4110	Advanced Nutrition	3
NUTR 4205	Nutrition Communication and Education	3
NUTR 4207	Nutrition Services	3
NUTR 4210	Community Nutrition	3
NUTR 4220	Food Service Organization and Management	3
NUTR 4230	Graduate Studies in Medical Nutrition I	3
NUTR 4230L	Medical Nutrition Therapy I Lab	1
NUTR 4233	Nutrition Counseling and Education	3

Total Credits		122-123
Electives, to bring the total credits to 121		
Second Language: (no	ot required)	
NURS 150	Medical Terminology	
SPMD 1120	Medical Terminology	
Choose one from the fo	ollowing:	
SPMD 3210 & 3210L	Anatomy and Physiology II and Anatomy and Physiology II Lab	4
SPMD 2210 & 2210L	Anatomy and Physiology I and Anatomy and Physiology Laboratory	4
HRTM 363	Quantity Food Production and Service	4
HRTM 2120	Food Production and Service Fundamentals	3
HRTM 2110	Safety, Sanitation and Health in the Hospitality Industry	1
CHEM 2120	Integrated Organic Chemistry and Biochemistry	3
CHEM 1225G	General Chemistry II Lecture and Laboratory for STEM Majors	4
ACCT 2110	Principles of Accounting I	3
or MATH 1350G	Introduction to Statistics	
A ST 311	Statistical Applications	3
Non-Departmental Re	quirements (in addition to Gen.Ed/VWW)	
BIOL 2320	Public Health Microbiology	
BIOL 311	General Microbiology	
FSTF 4110	Food Microbiology	34
Choose one from the fo	'', '	3-4
NUTR 4240I	Medical Nutrition Therapy II Laboratory	1
NUTR 4240	Medical Nutrition Therapy II	3
NUTR 4235	Entering the Field of Dietetics	1

See the General Education (https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/) section of the catalog for a full list.

Please refer to the HNDS Undergraduate Student Handbook for a list of recommended courses to choose from in order to fulfill these requirements.

- MATH 1220G College Algebra or MATH 1430G Applications of Calculus I is required for the degree but students may need to take any prerequisites needed to enter MATH 1220G or MATH 1430G first.
- 3 See the Viewing a Wider World (https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/#viewingawiderworldtext) section of the catalog for a full list of courses.
 - Refer to the "List of Recommended GE courses" for HNDS students in the HNDS Undergraduate Student Handbook for a list of field-related course options that can be selected from the GE Core Curriculum and Viewing a Wider World course requirements.
- Students who have taken a second level English course may be required to take another to fulfill the program's technical/ scientific writing requirement.
