BIOLOGY - UNDERGRADUATE MINOR

The courses of the Biology minor represent core biological content, critical for a general view of biology. A student cannot earn a bachelor’s degree in Biology and also earn a minor in Biology.

Requirements

A minor in Biology must include 20 credits in Biology, of which at least 9 credits must be numbered 300 and above.

No more than 3 credits of special topics or individual study courses may be applied to the minor. A grade of C- or better must be earned in all courses.
