- MATH 1130G Survey of Mathematics is required for the degree but students may need to take any prerequisites needed to enter MATH 1130G first.
- See the General Education (https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/) Section of the catalog to view the full list of courses that can be selected to complete this requirement.
- See the Viewing a Wider World (https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/#viewingawiderworldtext)
 Section of the catalog to view the full list of courses that can be selected to complete this requirement.
- ⁴ Entrance into the German sequence is determined by placement. Additional GRMN courses may be needed to meet prerequisites of 300+ level GRMN courses.
- Elective credit may vary based on second language requirements, prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.
- The number of credits needed to complete the Second Language Requirement may vary depending on language placement. As well, this requirement may be waived via conditions further described below.

Second Language Requirement

For the Bachelor of Arts in Foreign Languages with a concentration in German there is a two year second language requirement, the options to complete this requirement are listed below. The number of credits that a student needs to take may vary depending on what level they come in with. Please speak with an advisor for more information as to which courses you will need to take to fulfill the second language requirement for this degree.

Option 1:

Option 7:

By obtaining, from the head of the Department of Languages and Linguistics, certification of a working knowledge of a second language if such language is not taught at NMSU.

Option 8:

In the case of a foreign student who is required to take the TOEFL exam admission, the dean will automatically waive the second language requirement.

Double Major in Foreign Languages with a Concentration in German

Students must complete all University degree requirements, which include: General Education requirements, Viewing a Wider World requirements, and elective credits to total at least 120 credits with 48 credits in courses numbered 300 or above. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.

Students who are completing a different major in a different department can double major in Foreign Languages with a concentration in German. Double major students are required to complete:

Prefix	Title	Credits
General Education (from other major): 1		32-35
Viewing a Wider Wor	ld (from other major): ¹	6

These courses do not satisfy this requirement: (FREN 365V, SPAN 364V, SPAN 365V)

Total Credits	120-123

- General Education and Viewing a Wider World requirements are solidified by completing the requirements for the other major in a different department, as part of the double major program.
- Entrance into the German sequence is determined by placement and some courses may not be needed if a student is placed into a higher level
- ³ Elective credit may vary based on second language requirements, prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.
