1 Students may be required to take MATH 1215 Intermediate Algebra, depending on their math placement. MATH 1220G College Algebra or MATH 1430G Applications of Calculus I or MATH 1350G Introduction to Statistics fulfills the general education requirement in math.

2 See the General Education section of the catalog for a full list of courses.

3 See the Viewing a Wider World section of the catalog for a full list of courses and how to fulfill this requirement.
A Suggested Plan of Study for Students

This roadmap assumes student placement in MATH 1220 Intermediate Algebra and ENGL 1110G Rhetoric and Composition. The contents and order of this roadmap may vary depending on initial student placement in mathematics and English. It is only a suggested plan of study for students and is not intended as a contract. Course availability may vary from fall to spring semester and may be subject to modification or change.

1 These courses have prerequisites and it is the students responsibility for checking and fulfilling all course prerequisites listed for these courses.
See the General Education section of the catalog for a full list of courses.

Elective credit may vary based on prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.

See the Viewing a Wider World section of the catalog for a full list of courses.
