

# COMMON COURSE NUMBERING CROSSWALK

The Post-secondary Education Articulation Act ([https://hed.state.nm.us/resources-for-schools/public\\_schools/nm-course-numbering-system/](https://hed.state.nm.us/resources-for-schools/public_schools/nm-course-numbering-system/)) charges the New Mexico Higher Education Department with establishing and maintaining a common course numbering system, in consultation with faculty. To this end, the common course numbering system includes both equivalent (Common) and unique courses.

- **Common Course:** is any course that is offered at multiple institutions throughout the state, has the same prefix/number combination, the

same title, the same description, and at least 80% of the learning outcomes for the course are the same.

- **Unique Course:** is any course that is unique to the institution (the NMSU system), has a prefix/number combination, title, description and learning outcomes that are unique to the institution (the NMSU System).

The table below shows the previous NMSU System-wide course prefix/number combination, the future Common Course Numbering prefix/number combination, and an indicator of whether the course is deemed Common or Unique throughout the state.

| Current Course                           | Past Course | Course Type Indicator |
