

# PRINCIPAL LICENSURE - GRADUATE CERTIFICATE

---

Students must earn a final grade of "B-" or better in all classes. Courses in which a student earns a "C" grade or below will need to be repeated and not count towards graduation.

All 24-credit hours must be completed to earn the Principal Licensure Graduate Certificate and meet the administrative licensure requirements of the New Mexico Public Education Department.

Important information about the Educational Leadership & Administration Programs can be found here (<https://ela.nmsu.edu/>).
