

INTERNATIONAL STUDENTS

International students are an essential and valuable part of the NMSU community. International students are subject to different responsibilities than domestic students and must ensure to follow federal regulations to maintain their status. The Office of International Student and Scholar Services (ISSS) ensures these requirements are met and works with international students to maintain their immigration status. Some students not seeking degrees, such as international exchange students, may work directly with the Office of Education Abroad.

Federal Regulations

The United States Department of Homeland Security has established rules for students in non-immigrant status, such as those with F-1 or J-1 visa types. Some of these rules include the following:

1. For immigration purposes, each student must maintain full-time student status
 - a. Full-time status for fall and spring semesters is defined as 12 or more credits for undergraduates (only three online credits can apply to the full-time requirement).
 - b. Full-time status for fall and spring semesters is defined as 9 or more credits for graduate students (only three online credits can apply to the full-time requirement).
 - c. Full-time status for summer is defined according to NMSU requirements. Exceptions possible for final semester. Consult ISSS officials for more details.
2. International students may not work off campus without authorization. On-campus employment may be authorized under certain conditions.
3. All international students must maintain an up-to-date record in the ISSS Office. This record must indicate the student's current living address, phone number, and email address.
4. Before admission, a prospective international student must demonstrate the following:
 5. Academic ability to succeed in the chosen course of study.
 6. Adequate financial support to complete the chosen course of study.
 7. English language proficiency as defined by the university.

University Procedures for International Students

Undergraduate Admission

International students are subject to the same admissions standards as all other NMSU students, but some additional requirements apply. This section addresses those additional requirements. Visit <https://iss.s.nmsu.edu/> for more information.

Applications for admission that include the transfer of credits earned at a non-U.S. university must include a professional Foreign Credential Evaluation (FCE) report from a member institution of the National Association of Credential Evaluation Services (NACES) for every transcript from a foreign secondary school and/or post-secondary institution attended. The ISSS department highly recommends that applicants consider using SpanTran for their FCE. NMSU has worked with SpanTran to provide applicants with a clear understanding of which evaluation is needed. SpanTran provides an applicant portal to track and

access evaluations. SpanTran is a long-standing member of NACES. For more information, please visit <https://spantran.com/web/>

International students attending another US institution and having a valid I-20 may enroll as a non-degree seeking student and take course(s) at the undergraduate level.

Students who are citizens from one of the following countries will be exempt from providing a TOEFL, IELTS, or DET score for admission purposes. NMSU requires all admitted international students to take the English Language Placement Test (ELPT) for placement purposes.

Post Arrival

1. Aggie Welcome and Orientation

Orientation for all new first-time and transfer students is mandatory. At NMSU's Aggie Welcome and Orientation (AWO) programs, students will attend information sessions, learn about campus resources and college life, meet with an academic advisor, and register for classes

More information about Aggie Welcome and Orientation is available at <https://awo.nmsu.edu/>.

2. English Language Placement Test

Placement in writing classes for international students is determined by the results of the English Language Placement Test (ELPT).

Based on the results of the ELPT, the student is either assigned to ENGL 1105M (a bridge course designed to ensure success in ENGL 1110M) or is allowed to enroll directly in ENGL 1110M (for multilingual students). Please note that these classes are only available on NMSU's Las Cruces

Campus. International students excused from ENGL 1105M will be required to take ENGL 1110M. The student may then be required to complete one or more regular English classes as required for a particular degree. Completing basic English courses at other U.S. institutions does not automatically satisfy the ENGL 1110M requirement. Equivalencies for ENGL 1105M and equivalencies for ENGL 1110M or ENGL 1110G are determined by the University Student Records Office, who may refer exceptional cases to the English Department in the College of Arts and Sciences.

In cases of dramatic discrepancies between TOEFL/ IELTS scores and the ELPT, the ELPT results shall determine placement.

3. Mandatory SEVIS check-in

SEVIS check-in is orientation for new and transfer international students and it is mandatory to attend. This is a federal requirement for students to comply. Mandatory SEVIS check-in MUST be completed by all new and transfer students one day before classes begin depending on the semester they are admitted to. The location of the Sevis check-in will be communicated by the ISSS office.

4. Canvas Course & Document Upload Portal

The Canvas Course & Document Upload Portal is mandatory for new undergraduate and graduate international students to NMSU. Students will receive an email invitation to the course once they have set up their NMSU email address.

*** All the 4 items listed above must be completed by New and Transfer International students.

All international exchange students are required to be enrolled in NMSU-approved health insurance. Education Abroad & National Student Exchange will enroll the students and bill the insurance amount to the student's account.

Exchange Students are required to attend a mandatory Orientation before courses begin. Orientation will be scheduled and facilitated by the Education Abroad & National Student Exchange, abiding by guidelines set forth by the US government per J-1 visa requirements.

- Courses must be taken at the Main Campus only. Community college courses, including DACC, are not available to Exchange Students.
- The Nursing Department is the only department strictly off limits to exchange students, with case-by-case exception by the department, and this would have to be approved well in advance of the student being nominated.
- Exchange students are required to abide by all pre-requisite requirements and class size restrictions (i.e., if a course is closed when the student goes to register, an exception cannot be made).
- Online courses are restricted due to visa requirements (no more than three credits can be taken online. Additional fees will apply).
