

UNDERGRADUATE ADMISSIONS AND ORIENTATION

Aggie Welcome and Orientation

Orientation for all new first-time and transfer students is mandatory. At NMSU's Aggie Welcome and Orientation (AWO) programs, students will attend information sessions, learn about campus resources and college life, meet with an academic advisor, and register for classes.

If students have taken an ACT or SAT, they must submit official scores before attending an AWO program, as these scores are used to place students into courses during academic advising. If test scores are unavailable, students may be asked to take the Math Placement Exam and English Placement Questionnaire before orientation.
