SPED 5811	Field Experience in Education, Equity & Cultural Diversity ¹	3
SPED 5220	Classroom Management for Diverse Learners	3
Total Credits		30

¹ SPED 5811 Field Experience in Education, Equity & Cultural Diversity is taken during the final semester of coursework

MA in Special Education (Alternative Licensure)

This route includes 39 credits. It begins with completion of alternative licensure components, which includes 21 credits of state-approved coursework and two semesters of university supervision while concurrently employed as the special education teacher of record in a classroom. After completion of the alternative components, students complete the remaining coursework (18 credits) and degree requirements.

Note: Alternative Licensure requires concurrent employment as a special education teacher.

SPED 5850	Current Research in Special Education	3
SPED Elective Courses ¹		24
Total Credits		30

¹ Electives are selected in consultation with an advisor, who will make recommendations based on prior coursework and individual student interests.

MA in Special Education (emphasis in Visual Impairment)

This route requires 30-36 credit hours in visual impairment and special education coursework and prepares for licensure in teaching school-aged children/infants/toddlers and/or orientation and mobility. Students who meet qualifications and are interested in visual impairment may elect to pursue licensure only, rather than a master's degree, with 15-27 credits leading to a Blind and Visually Impaired Teaching License or National Certification in Orientation and Mobility.
