<sup>6</sup> It is highly recommended that students take BFIN 341 Financial Analysis and Markets as an elective course. You will need assistance from HRTM to receive a prerequisite waiver to enroll in it.

<sup>7</sup> It is strongly suggested that students use their elective credits to earn a minor such as Marketing, Business Administration, Food Science and Technology, Human-Animal Interaction, or a Language.

*\*Elective credit may vary based on prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.*

<sup>8</sup> Students may waive HRTM 1310 Safety, Sanitation and Health in the Hospitality Industry if they show proof of a valid, not-expired ServSafe Food Safety Manager certificate. They will need to show continued proof of manager or food handler's certification in order to serve food to the public in HRTM 1320 Food Production and Service Fundamentals, HRTM 3310 Quantity Food Production and Service, HRTM 4320 Restaurant Operations Management and HRTM 4110 Meetings, Conventions and Special Events
