FAMILY AND CONSUMER SCIENCES (HOTEL, RESTAURANT AND TOURISM MANAGEMENT) - MASTER OF SCIENCE

The concentration in Hotel, Restaurant and Tourism Management combines both coursework and research to expand the student's knowledge, abilities, and problem-solving skills. Students begin the program by learning about the current trends in a wide range of hotel, restaurant and tourism academic research areas. Students also take graduate classes that apply to their chosen area of specialization. Some students focus on general hospitality management. However, most choose an area of interest such as tourism, foodservice, hotel operations, culinary arts, destination management, revenue management, sales and marketing, hospitality or culinary education, beverage management, vacation ownership, hospitality information systems, or human resource management/training.

Thesis Option

	Credits	6-9
Semester 4		
HRTM 5992	Applied Management Project	3
HRTM or Specialized	d Electives	3-6
	Credits	6-9
	Total Credits	30-36

New Mexico State University master's accelerated program provides the opportunity for academically qualified undergraduate students to begin working on a master's degree during their junior and senior years while completing a bachelor's degree. Typically, a bachelor's degree requires four years to complete, and a master's degree requires an additional two years. The master's accelerated programs allow students the opportunity to complete a graduate program in an accelerated manner. You can also check NMSU's catalog for additional information about our programs.

Please talk to your HRTM Faculty Mentor about your MAP plan and develop a course plan in consultation with the advisor.

MAP Requirements

- The Graduate School allows qualified junior or senior students to substitute its graduate courses for required or elective courses in an undergraduate degree program and then subsequently count those same course as fulfilling graduate requirements in a related graduate program.
- Undergraduate students may apply for acceptance to the accelerated master's program after completing 60 semester hours of undergraduate coursework of which a minimum of 25 semester credit hours must be completed at NMSU.
- The grade point average must be at a minimum of 3.00.
- Students must receive a grade of B or higher in this coursework to be counted for graduate credit. If a grade of B- or lower is earned, it will not count toward the graduate degree.

Accepted MAP Courses

The following courses are accepted for use in the MAP program, any other courses may be considered after a consultation with an advisor. An exception will need to be made to the degree audit in order for the additional course(s) to be included on both the Undergraduate and Graduate degrees.

Title	Credits
ective Classes Taken At Graduate Level ¹	
Special Problems	1-4
Beverage Management	3
Hospitality Cost Control	3
	ective Classes Taken At Graduate Level ¹ Special Problems Beverage Management

HRTM 5240	Sustainability in the Hospitality Industry	3
HRTM 5140	Hotel Revenue and Sales Management	3
HRTM 5145	Resort Management	3

Other courses may be used for the MAP requirements with the consent of instructor, including HRTM 5210 The Hospitality Industry and Sustainable Competitive Strategy, HRTM 5220 Contemporary Global Issues in Hospitality, and HRTM 5991 Special Research Programs but will require a degree audit exception through the department/graduate school
