ELEMENTARY EDUCATION (SOCIAL STUDIES K-8) -BACHELOR OF SCIENCE IN EDUCATION

General education and professional education are similar for all degree programs in the College of Health, Education, and Social Transformation. The B.S. Elementary Education degree embeds the Social Studies Teaching Field/Concentration and the Bilingual/TESL endorsements. *Note: For certification in the State of New Mexico, the Bilingual/TESL endorsements require 6 credits of a language other than English.* Additional teaching fields/concentrations are available in Language Arts, Science, and Math but will require credits beyond 120. Students should meet with the College's Educational Support and Resource Center to discuss additional teaching fields/concentrations requirements.

All students wishing to complete a degree in Elementary Education must apply to the Teacher Education Program. Additional information on the application process can be obtained from the College of Education Educational Support and Resource Center or on the departmental website (https://tpal.nmsu.edu/degree-programs/undergraduate-programs/ug-ece.html). A 2.75 minimum GPA is required for admission to the Teacher Education Program, and a 2.75 minimum GPA must be maintained for graduation. Students must earn a "C-" or better in all education, TEP prerequisite, endorsement, and teaching field courses.

Students must complete all University degree requirements, which include: General Education requirements, Viewing a Wider World requirements, and elective credits to total at least 132 credits with 48 credits in courses numbered 300/3000 or above. Developmental coursework will not count towards the degree requirements and/or elective credits but may be needed to take the necessary English and Mathematics coursework.
