

SECONDARY EDUCATION - UNDERGRADUATE MINOR

Students not earning a bachelor's degree in Secondary Education could be eligible for a minor in Secondary Education. Students must have a degree area related to one of the secondary licensure options of English Language Arts, Social Studies, Mathematics, or Science. Students must complete all 27 credits from the courses listed below with grades of C- or higher. All 27 credits are considered upper division. Students must complete a Teacher Education Program (TEP) online portfolio in order to be accepted into TEP. The TEP prerequisite courses include EDUC 3120 Multicultural Education, SPED 3105 Introduction to Special Education in a Diverse Society, and EDUC 3997 Secondary Field Experience. For completion of the minor, students must pass the approved state licensure exams and must complete a full semester of student teaching. Students interested in the Minor in Secondary Education must contact the program director to determine eligibility.
