

SPECIAL EDUCATION (ELEMENTARY EDUCATION) - BACHELOR OF SCIENCE IN EDUCATION

The undergraduate special education program is an CAEP accredited program designed to prepare teacher candidates for dual licensure in special education and elementary education. The B.S. Special Education (Elementary Education) degree embeds the Language Arts Teaching Field/Concentration and the Bilingual/TESL endorsements. **Note: For certification in the State of New Mexico the Bilingual/TESL endorsements require 6 credits of a language other than English.** Students graduate with the preparation to teach in environments across the continuum of special education services. In addition to special education coursework, students complete an academic teaching field within their major.

All students wishing to complete a degree in Special Education must apply to the Teacher Education Program. Additional information on the application process can be obtained from the College of Education Educational Support and Resource Center or on the departmental website (<https://tpal.nmsu.edu/degree-programs/undergraduate-programs/ug-eece.html>). A 2.75 minimum GPA is required for admission to the Teacher Education Program, and a 2.75 minimum GPA must be maintained for graduation. *Students must earn a "C-" or better in all education, TEP prerequisite, endorsement, and teaching field courses.*

Students should meet with the College of Education Undergraduate Resource Center to plan appropriate general education courses for a special education major. See "General Requirements" in the "College of Health, Education, and Social Transformation (<https://catalogs.nmsu.edu/nmsu/health-education-social-transformation/>)" section. Students must be admitted to the Teacher Education Program as a condition for enrolling in courses that lead to licensure. Students must pass ENGL, MATH, all education, and teaching field/concentration courses with a C- or better.

Teaching Field: Language Arts

Students must complete all University degree requirements, which include: General Education requirements, Viewing a Wider World requirements, and elective credits to total at least 129 credits with 48 credits in courses numbered 3000 or above. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.
