Mandatory International Student Fees

International Student Health Insurance

New Mexico State University (NMSU) requires all F-1 international students studying at NMSU to have health insurance coverage. It is the student's responsibility to purchase and maintain health insurance coverage while enrolled at NMSU. The health insurance coverage must cover the student while they are physically present in the U.S. including summer and winter breaks. NMSU will provide an educative role whereby NMSU will inform international graduate students with their options for

obtaining health insurance along with the advantages and disadvantages of each option and allow the students to make an informed decision on their own.

- Canvas Health Insurance Course - All new international students at NMSU are required to complete the Canvas Health Insurance Course. Students will be sent a link to the course after they have enrolled in classes and activated their NMSU email address. Participation in the course is mandatory. Completion of the course acknowledges that you have been provided with the information necessary to make an informed decision regarding the purchase of your health insurance coverage. It acknowledges that you understand the pros and cons of the plan you selected, including **taxes and potential complications during subsequent change of status procedures.**
